TRAINING/INTERNSHIPS

Machine Learning and Optimisation

Jun. 2018 - Jul. 2018

Summer Training

TIET, Patiala

Undergone Summer Training at Thapar Institute of Engineering and Technology, Patiala on Machine Learning and Optimisation under Dr. P S Rana.

We learned from simple to deep learning algorithms(CNN, RNN, etc) and Natural Language Processing.

Introduction to Python

Jun. 2018 - Jul. 2018

Microsoft Technology Associate Program

Remote

An introduction to python programming and some libraries.

Made some mini projects along as part of the curriculum.

EDUCATION

Chandigarh University

Jul. 2016 - Jun. 2020

B.Tech(Cse)

Gharuan, Punjab

SSICS, Mohali

Apr. 2015 - May. 2016

XIIth (Non-Medical)

Phase-7, Mohali

PROJECTS

for more (github.com/sishubjoshi)

Points MST

JavaScript, Python, Flask, API

Display of kruskal's algorithm using HTML Canvas.
HTML canvas gets user input and displays a graph.
Backend: Flask API runs the algorithm using inputs and returns points used to display Minimum Spanning Tree.

Rail Feed

Python, Flask, NLP, React

It is a tool to auto categorize the complaints against Indian Railways into respective categories.
It uses our own dataset, collected from twitter using Tweepy.
A web UI is built to use the application and also some open end-points are there to use it as an API.

Personal Blog(on-going)

JavaScript, Node js, MongoDB

A personal blog application with a WYSIWYG editor
It currently has a working backend(API) and maybe use a framework in fuure for Front-End.

Chatapp

JavaScript, Node js, Socke.io

A simple chat application using socket.io where online users can chat using different profiles.

SKILLS

Programming

C++, Python, JavaScript, SQL

Libraries/Platforms

Node.js, Flask, React

Markup/Templating

HTML, CSS, Jinja

Databases

MongoDB, MySQL

Tools

Git, VScode, Heroku, Postman

ACTIVITIES

NASA SpaceApps Challenge

48hrs Hackathon

Chandigarh University(2018)

MLH Local Hack Day

Hosted by MLH

Lovely Professional University

Vishwakarma Awards

Project Display

Arya College, Jaipur

GDG IO Extended 2019

Meetup

Infosys Ltd. Phase-1, Manimajra

Cannable 2.0

Startup event

Chandigarh
